

# Speedrail Combination Socket

## Product Data Sheet

|                                 |                                                |
|---------------------------------|------------------------------------------------|
| A magnesium alloy pipe fitting. |                                                |
| Part Nos                        | T194104                                        |
| Tube Diameter                   | Ø48.3mm                                        |
| Materials                       | Magnesium Alloy 535<br>Fixings - Grade 8.8 BZP |
| Max Tightening Torque           | 22Nm                                           |
| WLL                             | N/A                                            |
| Weight                          | 0.56Kg                                         |

DIMENSIONS ARE A GUIDE ONLY AND MAY VARY
