

## CHS-40

It's a soft-sided transport bag that fits many of our most popular fixtures with a removable divider to keep multiple units packed safely in place. Convenient side pockets allow you to carry cables, clamps and other handy accessories.

# Highlights

- Durable, soft-sided bag designed to transport different types of fixtures from show to show
- Easily transports all your gear using 2 internal and 1 external compartment
- Main compartment stores lighting fixtures, while a side compartment stores cables, clamps and many other accessories
- Increase storage flexibility by using the removable divider to create a single or double compartment
- Safeguard your fixtures during transport with padded, internal compartments
- Save time during set up and tear down with easy access to each compartment
- Simplify transport with the convenient handle and shoulder strap
